

CATERING CONTRACT

Term & Conditions

Green-Goes [GG] wants your event to be a success and the best way to achieve this is to frame a strong, honest, and open relationship with you, where communication and expectations from both sides are understood from the onset.

The Quote Process

Following our discussions [GG] will provide you with an individual written quotation. It will remain valid for your particular event date. In the instance that the event needs alter in any way, it may be necessary to review and reissue the quote.

Payment Terms

As many costs are incurred on your behalf prior to the event date, [GG] have the following payment terms:

- * A 50% non-refundable deposit must be made in advance to secure your date and confirm your event.
- * Balance to be paid on the day of your event.

Service Fee, Travel Fee & Additional Cost

- Nevada Sales Tax of 8.1% will be added into your total quotation cost.
- Our Service Fee for private event is 18% of the food and beverages total and is NOT a gratuity. Gratuity may be added or given to our staff at the time of the event, at your own discretion.
- [GG] operates a free travel fee policy up to a limit of 25 miles from the center of Las Vegas. Travel fee may apply thereafter; depend upon distance, unless otherwise agreed. Congestion and parking charges will be applied.
- Our quote is based on two hours time frame. For any event(s) where we are serving guests more than two hours, a \$2.00 per person fee per hour will be charged.
- We will bring our food truck and park at your location. We need at least 32 feet of parking space.

- We utilize biodegradable paper/plastic utensils to serve your guests.

Liability

[GG] confirms that they have and will maintain sufficient Public Liability Insurance for events of the nature of the booking. A copy of the certificate (or scanned PDF image) is available upon request. [GG] follows strict Southern Nevada Health District guidelines for all food production, handling, storage and distribution and dealings with our clients and their guests. Our policy, based on these guidelines, restricts the service of foodstuffs to a maximum of four hours after being removed from refrigeration. [GG] advise that all food must be consumed after two hours of initial serving time, therefore any food consumed after two or more hours of it first being served is at the clients discretion and therefore becomes their responsibility.

I agree to the above terms and conditions.
